

BOROUGH COUNCIL IN APRIL MEETING

Report on Liens Features
Session in Routine
Matters.

TO INSTALL BIG PIPE

Save for the important duty of appointing a new tax collector, little but routine business occupied Council at its April meeting Monday night.

An important source of potential revenue for the borough was divulged in the report of the Liens Committee of which Clarence Kaebler is chairman. It was shown that \$9614.93 is due the borough under liens placed in satisfaction of sewer, street and sidewalk work.

The committee is working in an effort to clear up the amount of these liens by payment of foreclosure. A number have already been satisfied.

A special committee appointed last month to draft a resolution on the death of the late A. Perry Reifer offered to Council a document of simple and dignified wording, which expresses the regret of the councilmen at the loss of their senior member. A copy of the resolution will be sent to the family.

No steps were taken to fill the vacant seat, as a suitable councilman has not as yet been chosen.

The Property Committee reported an agreement with the League of Women Voters which removes the fear of that organization that they would be deprived of a meeting place. The Property Committee confirmed the action of the Recreation Board is granting free use of the Legion room.

MOTHER'S COUNCIL HEARS ABOUT BOOKS

Mrs. Ellsbree Talks About Children
and Books at School Library.

The Mother's Council met in the School Library last Monday evening to listen to a talk by Mrs. Miriam Ellsbree, the school librarian. Her subject was "Books Children Should Know." Mrs. Ellsbree emphasized the point that before recommending a book, the child's individual taste should be consulted that the book recommended might have a natural appeal.

The Librarian reminded her hearers that they could emphasize the worth-while books by having them conspicuously about the house, by discussing them with the children, and by seeing that illustrations and typographical make-up were artistic.

During her talk she suggested books for various ages and tastes and then called in four of the pupils at the school to explain the location of books on the shelves, the equipment in the room, and methods of using the catalogues. The four girls to give the talks were Ray Wilson, Adele Aungst, Mary Hope and Ann Van Auker. After this a group of girls and boys were brought in to demonstrate a reading period in the library.

Mrs. Aungst, president of the Mother's Council, showed a petition, already bearing many signatures, which had been prepared in the interest of mothers desiring a public kindergarten as a part of the school system, and explained that when there were sufficient signatures the petition would be presented to the School Board for their action. The petition is still open and anyone interested may have an opportunity to sign by telephoning Mrs. Aungst.

WELCOME PASTOR

The Ladies' Aid Society of the Methodist Episcopal Church extends an invitation to the members and friends of the church to enjoy a social evening to welcome back the Rev. Mr. and Mrs. W. S. Dawson. New members received during the last conference year will also be greeted in the course of the program, which will take place at the M. E. Church Thursday evening at 8 o'clock.

M'NAUGHTON LECTURES AMATEUR GARDENERS

Addresses Women's Community Club
in Garden Day Program.

The Community Club held its annual Garden Day program on Tuesday, April 12. In the absence of Mr. Hugh Balfour Barclay, who had been announced as speaker, Mr. McNaughton gave good advice to amateur gardeners, not only as to practice, but as to ideals as well. He spoke especially of the mutual help to be gained in an organized group of flower lovers.

Ice cream was served by Mrs. Howard Hipwell and her committee. Mrs. C. R. Custer, Mrs. T. B. du Marais, Mrs. J. S. Harris, Mrs. E. S. Haws, Miss F. B. Jacoby, Mrs. W. J. Jones, Mrs. J. W. Joyce, Mrs. H. I. McConnell, Miss Bird Roberts, Mrs. J. F. Sherron, Mrs. H. F. Stevens and Mrs. J. D. Sutherland.

In reminding the public of the movie benefit at the Ardmore Theater on April 19, the Board of Directors lays emphasis on the fact that the bus, as rerouted, takes one to the very door of the theater. An especially good film is to be shown. Tickets are 35 cents.

Mrs. C. Arley Farmer has opened her house at 424 Woodbine avenue to club members and friends on April 20 for a luncheon bridge. Tickets are \$1. This is another activity of the Board of Directors to increase that famous building fund.

The Education Committee announces action of the Mothers' Council in circulating a petition for the opening of a free kindergarten in the Narberth school. The idea seems to be meeting with approval among the mothers.

VOLUNTEERS WANTED

Reports coming in indicate that the drive for new members being made by the local American Legion Post will be a success. A good many men who are eligible to membership in the local post have been interviewed and most of them successful. Some were out of town and were not seen. If any have been missed, the local Legionnaires desire that they call some member and volunteer.

There is absolutely no reason why Narberth should not stand where she belongs—in the forefront of the American Legion Post Department of Pennsylvania.

At the regular meeting, on Monday, April 25, the post will give an American flag to the local Boy Scout organization. It is hoped that a prominent speaker can be secured for this evening. All citizens of the borough are cordially invited.

W. M. S. MEETS

The Women's Missionary Society of the Lutheran church will hold its monthly meeting at the home of Mrs. Weiss, 207 Hampden avenue, Tuesday afternoon at 2 o'clock.

MRS. MATILDA CARMINT

Mrs. Matilda Carmint, widow of James Carmint, of Narberth, died Tuesday, April 12. Funeral services will be held this afternoon from the funeral parlors of William H. Chew.

SCOUT CONTRIBUTIONS BEGINNING TO ARRIVE

Executives Hope for Speedy Filling
of Budget.

Contributions to the 1927 budget fund that is being raised for the Boy Scouts by the Fathers' Association are beginning to be received from the residents of the Borough. In many cases checks are accompanied by letters expressing the finest sentiment toward the organization.

Contributions thus far received vary in amount from \$25 on down to \$1. No amount is too small, but it is the hope of the Fathers' Association that every one to whom a letter was sent will return it within the next month, in order that definite plans for the summer can be formulated.

During the first three days, following the mailing of the circular letter, thirty-seven replies were received. These came from F. T. Heckel, R. M. Staley, E. W. Burns, Harry Slennon, E. A. Bailey, J. V. White, W. P. Dunnington, A. F. Martin, J. P. Wynkoop, Laura L. McCoy, J. O. Battersby, Norman Jefferies, L. B. Moxon, C. B. Metzger, Adelizzi Brothers, J. L. McCrery, Dr. H. T. McDuffee, J. B. Nesper, L. G. Weikert, J. S. Ketcham, Alan J. Smith, C. M. Little, C. A. Peeney, Mrs. A. P. Redifer, Verl Pugh, Henry Fleer, Paul R. Loos, H. E. Davis, Capt. W. J. Crossan, U. S. Marines; A. L. Dewar, Jr., Daniel Baird, C. Arley Farmer, D. P. Beardsley, H. R. Little, W. Elmer Titus, William C. Claghorn and J. C. VanNewkirk.

From time to time, acknowledgment of future contributions will be made through the columns of "Our Town."

J. H. KURZENKNABE

J. H. Kurzenknabe, 87 years of age, died Tuesday night at Harrisburg. He was the father of Miss Flora Kurzenknabe and Mrs. Eberhardt Mueller, of Narberth.

Mr. Kurzenknabe, a native of Germany, was president of the Pennsylvania State Music Teachers' Association. He was prominent in the musical and religious life of the State capital.

BAKERY CHANGES HANDS

The Narberth Bakery, established a year ago by Alex Ewald, has been taken over by Oscar Sommer, of Philadelphia, for several years pastry chef with Kugler's restaurant.

Mr. and Mrs. Sommer plan shortly to make their residence in Narberth.

Phone Company Rapidly Changing Narberth to New Higher Numbers

The Narberthites of good memory who have boasted in the past of scores of phone numbers at their tongue tips are being rudely jolted. Hundreds of numbers a week are being changed in preparation for the moving of the exchange to Cynwyd.

In nearly every case the new numbers are being assigned in solid "banks" of phones—that is, 100 at a time. As a result practically all phones will retain the last two numbers and party letter.

It costs money to run one of Narberth's big pieces of fire-fighting equipment, and it costs the volunteers valuable time to answer alarms.

With that in mind, be explicit in reporting a field or brush fire. Explain to the phone operator and to the fireman who answers the phone that it is not a building, so that a chemical truck and some old brooms will be sent—and not a big ladder truck. The firemen will thank you.

TY COBB LURED BY LUTHERAN SUPPER

Famous Mackman May Make
His Home in This
Section.

IN BOROUGH THURSDAY

Ty Cobb, the world's greatest ball player, who is catching flies and swinging a bat for Connie Mack's Athletics this year, is looking for a home on the Maine Line. He hopes to live in or adjacent to Merion.

The famous Georgia Peach likes this section of suburban Philadelphia so well that he eagerly accepted an invitation to attend the roast beef dinner to be given in the Holy Trinity Lutheran Church next Thursday evening, April 21. He has tasted the roast beef and other "fixings" prepared by the good housewives of the Holy Trinity Church and knows he will have a "square meal" after he has played a hard game against the New York Yankees that afternoon.

The roast beef dinner will be under the auspices of the Ladies' Aid Society of Holy Trinity Church and the public is invited to dine with them. Tickets are on sale at 65 cents each.

PLAY NEXT WEEK

Local Folks to Attend Thespian
Production.

"Girl Wanted," showing at the Penn A. C., Friday evening, April 22, promises to surpass by far all previous Thespian productions. Maurice Darcy, of New York City, is staging the show. Mr. Darcy has directed Thespian productions for the last three years and if you have seen "Wooden Shoes" and "The Kid Himself" you cannot fail to recognize his ability and the results he obtains. The music and lyrics have all been written by Penn State men. There are nineteen real live musical numbers in the show. A chorus of sixteen will support the cast of fourteen men. The costumes and scenery will be the most pretentious yet provided. A Penn State orchestra of ten pieces will play until 1 A. M. for the dance that follows the show. The following from Narberth are acting as patronesses: Mrs. Charles E. Kremer, Mrs. E. U. Smith, Mrs. J. E. Freeman, Mrs. Vestus J. Spindler and Mrs. Hugh B. Speed.

EVANS—KNUTZEN

Mr. and Mrs. George T. Knutzen announce the marriage of their daughter, Solveig, to Frederic Stokes Evans, son of Mr. and Mrs. D. Ridgeway Evans, of Penfield, on Saturday, April 9.

Mrs. Evans is a graduate of the Narberth High School, and later studied at the West Chester Normal School. She has been a member of the staff of the Tredyffrin township schools.

After a short wedding trip Mr. and Mrs. Evans will make their home in Ardmore.

E. P. DOLD APPOINTED TAX COLLECTOR ON RESIGNATION OF MRS. A. N. DIVEN

Former Borough Treasurer Is Succeeded by Walton M. Wentz
in Election by Council Monday.

Mrs. Abbie N. Diven resigned as Tax Collector of the Borough of Narberth night. Council immediately appointed Edwin P. Dold to fill the position until the next regular election.

The resignation of Mrs. Diven did not come as a surprise, as announcement was made several weeks ago of the transfer of her husband, J. Barry Diven, to the Pittsburgh offices of the Pennsylvania Railroad. Mrs. Diven's Narberth home was sold last week.

Mrs. Diven (then Mrs. Abbie W. Nickerson) was elected Tax Collector in November, 1925, succeeding Raymond C. Jones, and

defeating W. J. Kirkpatrick and Edwin P. Dold for the post. She was subsequently married to Mr. Diven.

In accepting the resignation, Council gave Mrs. Diven unstinted praise for the efficiency and thoroughness of her work in handling the 1926 collections. It was pointed out that, with but \$1245 still to be collected, representing only 29 accounts, the percentage of receipts have exceeded those of any other year at this period.

"You have been a tax collector—not a tax receiver," President Griswold remarked, "and we can recommend you to Pittsburgh if they need a tax collector."

Council proceeded at once to the appointment of a successor. Edwin P. Dold was nominated and unanimously elected.

Mr. Dold has been Borough Treasurer for fourteen years, maintaining the books of the Borough in a manner which has kept the officials of the Borough informed to the minute of the condition of the town's finances. He has been a regular attendant at the meetings, taking an active part in the deliberations, in constant touch with all work relating to his department.

Mr. Dold has been also active in civic matters, taking part in the affairs of the Tennis Club and Boy Scout movement. He is president of the Fathers' Association, the group of older men standing back of the local troops.

In accepting the post, he promised to establish a precedent by maintaining regular attendance at Council meetings, thus keeping the governmental body in close

LIONS ROMP AWAY WITH BOWLING CHAMPIONSHIP

Take Three Straight From Battlers,
Despite Smedley's Scores.

The championship of the Narberth Inter-Church Bowling League was won by the Lutheran Lions last Friday evening, in a brilliant win of three games straight. The Baptist Battlers contributed to their victory.

During the play H. T. Smedley, captain of the Battlers, broke two records. First, the highest single game, 243 pins; and second, the highest score for three consecutive games in one match, 587 pins.

The Lions were victors, with their three straight wins. Their total score was 2421 pins, which is 23 pins more than the previous high score for the season, made by the Presbyterian Pilots.

The postponed game of the Presbyterian Pilots and Pep Boys has not been rolled. Highest scores and prize winners will be announced next week. Last Friday's scores follow:

BAPTIST BATTLERS

RAIN NEEDED

Says Weatherman, Inconclusive of
Hopes of Many for a Dry Easter.

"A good rain is needed," says Chas. Decker, Main Line weather man, in his weekly reports; "the month continues too dry." But let him beware. Easter is coming. However, the farmers are on his side.

Temperature variation for the past seven days was 67 to 29 degrees, according to the weekly report submitted. Precipitation was only .17 of an inch, making the total since April 1, .52 of an inch. The barometer varied from 30.35 high to 29.97 low.

Temperature deficiency since April 1 is 55 degrees, and for the same period last year, 34 degrees.

LEGION AUXILIARY MEETS

The regular monthly meeting of the American Legion Auxiliary, Harold D. Speakman Post, No. 356, will be held Tuesday evening, April 19, in the Legion room. Plans for the annual poppy sale will be discussed. All eligible members are invited to attend.

Mrs. Harry C. Middleton, Jr., 7 Shirley road, gave a kitchen shower and bridge for Miss Dorothy Middleton, of Moorestown, N. J., on Wednesday afternoon of last week. There were 26 guests present.

The Woman's Home Missionary Society of the Methodist Episcopal Church will hold a luncheon at the church on Thursday, April 21, at 12.30.

EDGAR GUEST SUBJECT

Rev. Downing Will Discuss Popular Poet.

A fine treat is in store for the ladies and friends of the Narberth Methodist Episcopal Church, due to the fact that the Goodfellowship Club will have their first ladies' night on Thursday evening, April 28, at the church.

Rev. William J. Downing, of Chester, Pa., will deliver a lecture on Edgar Guest and his poems, which means a treat is in store for all who can attend.

The Goodfellowship Club very cordially invites the ladies of the church and their friends to be with us that evening. A light musical program will precede and follow the lecture.

Let us all help make the affair a success and give Dr. Downing a large audience. Refreshments will be served and a chance given every one to become better acquainted with each other. Be sure to hold the date open and come.

TO CONSTRUCT ARCADE

Ardmore to Have Large Group of New Stores.

Ardmore's largest arcade will be ready for occupancy by September 15, according to the plans of Messrs. Edward and James Lyons. A large sign announcing that fact has appeared on the front of the building just west of the Bell Telephone exchange on Lancaster avenue in Ardmore. The architects' plans at present call for an enclosed, ventilated arcade, faced with limestone fronting on Lancaster avenue and running through to Athens avenue.

There will be, it is said, 29 stores and 29 offices with a 100 car garage with parking privileges for the customers of the stores. Elevators will be installed which will carry the arcade patrons from the basement garage to the stores or to the offices above.

The two main stores fronting on Lancaster avenue will each have approximately 1140 square feet of floor space and those facing Athens avenue will be about 25 feet square. The arcade proper will contain 25 smaller stores.

One of the most interesting features of the plans is the provision made for a public comfort station, something which Ardmore has needed for some time.

OPEN NEW STORE

Austin E. Hartzel will open a candy and confectionery store the first part of May in the old candy store at 107 Essex avenue. It will be run in connection with his father, E. J. Hartzel's, real estate office, which will be moved across the street from his former office with Cook Brothers, at 104 Essex avenue.

????????????????

Question

Why go to Philadelphia for a new or re-roof job when we compete with Philadelphia every day?

Why give the re-roof job to the out-of-town concern when you can have a Narberth roofer at home? We do all small jobs of repairing—also large jobs.

Will the out-of-town concern call cheerfully to do the \$3.00 job? Why give them the \$300.00 job?

Why did your Narberth roofer roof the new National Bank? The Merion Title & Trust Company? (Also the Public School in 1917?)

No More Blades to Buy!

SEE THIS AMAZING NEW SHAVING INVENTION
Kriss Kross Stroppler is the Most Surprising Device Ever Patented. Makes a Single Razor Blade Last Indefinitely and Gives You the Coolest, Slickest Shaves of Your Life. Nothing Like It Ever Seen Before!

Free Demonstration—No Obligation

HERE is a chance for you to see for yourself the astonishing shaving invention the whole country is talking about. (Probably you've already read about it in Saturday Evening Post, Liberty, Collier's and other big magazines.) Think of it! 365 keen, cool shaves a year from the same blade. That's what KRISS KROSS is doing for American shavers everywhere! This amazing invention marks such a radical advance in shaving comfort and economy that it deserves to be called much more than a stroppler. Rather it is a blade rejuvenator. Makes hundreds of keen, quick shaves blossom where only one grew before.

KRISS KROSS strops your blade (any make) on the diagonal, just like a master barber. Pressure decreases automatically. Nickel jig files up to notify you when blade is ready, with the keenest cutting edge that steel can take.

GIRL SCOUT NEWS

Conducted by Mrs. Victor I. Zelov.

District No. 8 is becoming increasingly proud of its newly-organized bugle corps. Composed of representatives from the various Main Line, Norristown and Bridgeport troops, it is hoped that it will soon rival the Massachusetts Bugle Corps, made up of Massachusetts Girl Scouts. Last spring the Massachusetts corps journeyed to Washington, D. C., and assisted in the opening of the D. A. R. congress, covering themselves and their organization with glory. The Bugle Corps of District No. 8 is the only girls' corps in the State of Pennsylvania.

Mrs. C. Duane Williams, treasurer of the Committee of District No. 8, reported at the April meeting of the committee that there was \$397.08 in the treasury, after the yearly quota to Philadelphia headquarters had been paid and the drums bought for the new bugle corps.

The Scouts of the district will have a spring rally the latter part of May—the exact time and place to be announced later. There will be general races and swimming races, ending with a picnic supper brought by the Scouts.

Thursday and Friday, April 28 and 29, Region No. 3 of the Girl Scouts, of which Philadelphia is a part, will hold its spring conference in Washington, D. C., at the Willard Hotel. Quite a delegation from the Committee of District No. 8 is expected to attend and get new inspiration for Girl Scouting on the Main Line. Region No. 3 is composed of Pennsylvania, Delaware, Maryland, District of Columbia and Virginia.

Ardmore Troop, No. 30, Miss Jeanette Campbell captain, reports that the following Scouts have passed their fire prevention, table setting and first-aid for their Second Class test: Fire prevention, Lorretta Warwick, Sara Tracy and Elizabeth Williams; table setting, Martha Moorhouse and Mary Elizabeth Hopkins, and first aid, Marcy Brown and Elsie Chance. There are several of the Scouts working on merit badges also. Christine Mahl is trying for the scholarship badge, Catherine Wagner for the homemaker's badge and all are trying for the home service.

Narberth Troop, No. 8, Mrs. John Nash captain and Mrs. Marian Cook lieutenant, gave a very enjoyable play, "Promoting Romeo," last week, at Elm Hall, Narberth, to an enthusiastic audience which packed the hall. The parts were all well taken, and the troop again showed that it has a good deal of real histrionic ability in it. April 5 a lecture on the history of the flag was given to the Girl Scouts, Boy Scouts and Camp Fire Girls of Narberth by Mrs. C. Arley Farmer, of the Dr. Benjamin Rush Chapter of the Daughters of the American Revolution. Mrs. Farmer spoke to a very appreciative audience of boys and girls, many of whom had to stand because of the large crowd.

Cynwyd Troop, No. 94, Miss Margaret Robins captain and Polly Phillips scribe, have moved into their new quarters—the Woman's Club of Bala-Cynwyd—new furniture and all, and are most happy. The Cynwyd Scouts are all working on either merit badges or on the Second Class nature requirements. The health bank books are amassing splendid young fortunes for the Scouts—in imagination—and good health habits in reality.

Overbrook Troop, No. 12, Miss Jane Newhall captain, has just been given a Scout hut by Mrs. W. Logan MacCoy, of Overbrook, one of the members of the Committee of District No. 8. This hut will be used for special Scout instruction and parties. The troop is now busy planning for a "hut shower," at which time gifts of all kinds will be brought for their new home. The troop now has 40 members, six new ones having been recently added. There is now a waiting list.

BUILDING PERMITS COVER \$110,160 IN NEW WORK

Permits for Past Week Are for Many Alterations, Additions.

Eighteen building permits were issued during the past week by Inspector C. E. Rahn's department at the township building in Ardmore. They cover Lower Merion building operations at an estimated cost of \$110,160. Alterations and additions constitute the bulk of the work to be done.

Hamilton Vodes will build for Charles H. Peacock, Jr., a \$15,000 dwelling and garage at the S. E. corner of Knox and Forrest roads in Wynnewood, and L. D. Spencer for Vito Fiano, on the south side of Spring avenue, west of Wynnewood, in Ardmore, \$11,800.

In Narberth, J. D. Lengel will build for John J. Jacoby, Jr., on the S. W. corner of Woodbine and Shady Lane, a \$36,700 dwelling and garage, and James MacMackin will build a \$14,500 home on Bowman avenue, west of Glenwood road.

The Philip Hutsch Construction Company will build for Edward A. Carroll Company a \$9,500 business building at Barmouth Station. At C. S. Powell's property, the Main Line Drug Store in Ardmore, an advertising sign is covered by a permit, for \$50.

Alterations and additions follow: Edwin F. Bertolette for Mrs. K. C. Bertolette, 231 Chestnut avenue, Ardmore, \$50. Peter Henzy for Ralph L. Murray, S. W. corner Lancaster and Remington road, Wynnewood, \$5,000. Stewart Hutchinson for Jack Lipman, 501 E. County Line, Ardmore, \$1225.

Junior Accounts

The Narberth National Bank is not a mighty, chilling, urban institution, terrifying to all but the captains of industry. It is, we believe, a friendly bank.

Above all, we wish to be friendly with the members of the younger generation. No matter how little a child wishes to deposit—no matter how trivial the financial problem—we want the confidence of the children and their parents.

A community bank, directed by friends and neighbors, can be a great influence in establishing habits of thrift and financial consciousness. We look forward to this opportunity.

A cheap tube
can cost you
10 times its
price

THIRTY-NINE YEARS of tube-building experience has proved to Dunlop that "cheap tubes" do not pay.

That is why Dunlop tubes are made casing shaped. It costs a little more than to build them on a straight pole, as cheap tubes are built.

But a casing-shaped Dunlop tube is strong everywhere. The outside edge is not weakened by excess stretch. The side next to the rim has no wrinkles to crack with age and blow out. A Dunlop tube protects your casing, because it fits. And your casing is worth ten times the cost of the tube.

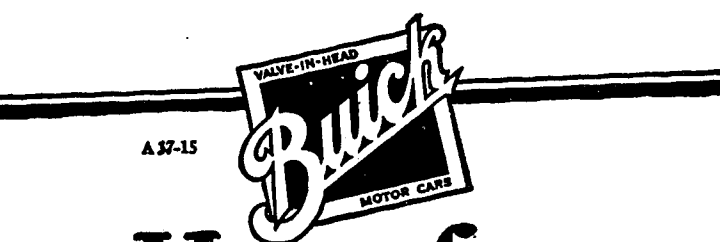

We strongly recommend a Dunlop tube for every casing

touch with the collection of the levies.

The resignation of Mr. Dold from the Treasurership, which he has filled for so many years, necessitated an election for that position, and the filling of the post brought back to the Council room a familiar figure—Walton M. Wentz, a former member of that body.

Mr. Wentz, who is 42 years of age and has been a resident of the Borough for eighteen of those years, served two terms (1918 to 1926) as a member of Council, and was chairman of the Highway Committee both terms. He is a Democrat.

Like Mr. Dold, the new Treasurer is active in the Boy Scout work, being vice president of the Fathers' Association and a member of the Troop Committee. He was at one time president of the Home and School Association and a director of the Narberth Civic Association.

Mr. Wentz is an official of the Pennsylvania Railroad, occupying the position of editor of the "Pennsylvania News," which he started in 1923, and which has a circulation of 100,000 copies semi-monthly. Despite his larger duties, he has found it possible to act as one of a small group of men serving as contributing and advisory editors of "Our Town."

Burgess Henry A. Frye administered the oath of office immediately to both the new officials.

TENNIS CLUB NOTES

If you saw an orange drowning, And its color start to fade, Would you throw to it a rope Just to give the "orange aid"?

Nearly everybody feels as though he were going down thirdly about this time of year after a strenuous winter. What you need is outdoor exercise. We have plenty of space in which to take all the exercise you want, and we also need new members and expect to make lots of "racket" about it. Hope we won't get "balled" out if we "court" all our friends (male) and we trust that the "net" result in increased membership will be well worth our efforts.

Where does the orangeade come in? The groundskeeper will have, as usual, refreshing soft drinks on ice for use after said exercise. The club has spacious locker rooms, excellent courts and plenty of hot and cold water in the showers. There is also a dressing room with shower, etc., for the associate members and wives of senior members. All we need is that you and your friends join up this year and enjoy these facilities.

The cost of membership is small—initiation fee, \$10; dues, \$20 a year for senior members (including wives, if any); and juniors and associates \$5 a year, with no initiation fee.

An opening day for prospective members to enjoy the facilities of the club will be announced later.

NEW RESIDENTS

Two sales were announced this week by the real estate office of Durbin and Howard. The home of Walter H. Kleinpell, 63 Wynnedale road, has been purchased by Egbert H. Curtis.

Mr. Curtis, who with Mrs. Curtis and their son will occupy the home, is associated with Simon and Simon, architects, in Philadelphia. He was the electrical engineer for the Benjamin Franklin Hotel.

The home of Theodore Atkins, Jr., 310 grayling avenue, has been purchased by the Misses Gladys and Margurite Kilbourne. The Atkins family will remove in a few weeks to the shore, where they will make their home.

NEW NARBERTH HOMES

James MacMackin will build a dwelling and private garage costing approximately \$14,500 in the rear of the north side of Bowman avenue, 93 feet west of Glenwood road. A building permit was issued this week by Inspector C. E. Rahn's department in the Lower Merion Township Building at Ardmore.

J. D. Lengel has a permit to build a dwelling and garage at an approximate cost of \$36,700 for John J. Jacoby, Jr., on the southwest corner of Woodbine avenue and Shady lane.

IS IT OPERA OR POEM?

Question Frequently Asked at the Library.

Is "The King's Henchman" an opera or a poem? This is a question frequently asked these days at the library. Anyone fortunate enough to get a seat at the well-packed houses to which it always plays may decide that it is an opera, while anyone equally fortunate who secures a copy of the words knows that it is a poem and an unusually fine one.

The work of Deems Taylor and Edna St. Vincent Millay in accepting the challenge to produce in collaboration an entirely English opera has been a spectacular event in the musical and literary world, and the result is a worthy one.

To the library, now that the "One-night" in Philadelphia is over, and the succeeding days have proved how futile it is to attempt to reproduce the music, the answer to the question in the headline is that it is a poem. This is a much wiser answer, for the poem can be produced, and some parts of it quoted as; "I could do mously by a crumb of cheese," and "The Church of God is not a candle, Blow on." The name of the book is "The King's Henchman" by Edna St. Vincent Millay.

TO PLANT TREE

Local Woman Chairman of Federation Committee.

At a recent meeting of Montgomery County Federation of Women's Clubs a suggestion by Mrs. John B. Brooks, of Narberth, that the county plant and dedicate a tree to world peace met with such favor that Mrs. Brooks was made chairman of a committee to work out the plans covering same. On April 30 at 2 P. M. this plan will be carried out with the planting of a large spruce in the square at Norristown Court House with a very fitting program. Working with Mrs. Brooks are Mrs. Irwin Fisher and Miss Laura Whitcomb, of Norristown.

The borough of Norristown has kindly contributed a tree through the efforts of Mr. S. Cameron Corson and Mr. John P. Famous, both connected with the Park Commission at Norristown. Mr. John B. Hamme, president of the State Federation of Women's Clubs, will dedicate the tree following the planting by Mrs. Richard J. Hamilton, who is president of the County Federation. There will be mass singing, a talk by a prominent speaker on peace, poems read by Mrs. A. K. Gregory, of Cynwyd, and taps will be sounded at the conclusion of the program by a bugler of the American Legion. So far as is known there has not been a tree planted in the United States designated for this purpose and it therefore places Montgomery county on the list as pioneer of the movement. The spade used in the planting will be forwarded to President Coolidge with the request he autograph same and place it in the museum. Every man, women and child in the county should certainly take part in this event, one which will stand out in the history of the State. In case of rain the event will be held May 7, same hour.

COUNCIL MEETING

CONTINUED FROM THE FIRST PAGE
in the community building for this season's meetings.

Announcement that a new 24-inch drain will be installed in the bed of Haverford avenue featured the highway report, a decision which will please the merchants who have suffered in the past from insufficient facilities for the disposal of storm water.

The request for this improvement was made by the Narberth Board of Trade, and the installation of the new pipe will probably make it unnecessary to open an old pipe which had a tendency to back water into the store cellars.

COMMUNITY CLUB CALENDAR

April 16—Flower sale, 241 Haverford avenue.

April 18, 7 P. M.—Sub-Junior Department meeting with Virginia Douglass, 213 Elm Terrace.

April 19—Movie benefit, Ardmore Theater. Tickets, 35 cents.

April 20—1 P. M., luncheon-bridge. Mrs. C. A. Farmer, 424 Woodbine avenue.

GOODFELLOWSHIP CLUB

The regular monthly meeting of the Goodfellowship Club of Narberth M. E. Church will be held Monday evening, April 18, at 8 P. M. in the home of Mr. C. Saylor Henry, 111 Forest avenue. Mrs. Henry, as hostess, will serve refreshments and a large attendance is hoped for. Come out and help boost the club and the causes for which it stands.

A MISPRINT

The telephone company is having a merry time changing local numbers, so our typesetter tried to imitate the officials last week.

In the advertisement of the genial Fred Walzer, baseball manager, squire and painter par excellence, an incorrect number was used. Those interested in an estimate from Mr. Walzer will find that Narberth 1247-J will bring the desired results.

SOMEONE AT THE DOOR!

The doorbell rings. You are busy. You open to an utter stranger, smooth, persistent, perhaps aggressive. He wants to sell you something. It may be brushes, vegetables, cosmetics, seeds, trees, magazines or even groceries from his truck. Perhaps it is roofing, spraying or painting service from some distant point.

"Here today—gone tomorrow" applies to these fellows as well as to mortal man. Remember, your Narberth business man has more than smooth talk to back up his promises. Remember lost dollars of the past, and the final satisfaction when you BUY IN NARBERTH.

At Your Personal Service

Personal Service Begins When
You Order Your Telephone

"When You Ask
For Information About a Contract or a Bill—"

THE MEN AND WOMEN of this company are trying to turn out something more than just a good general service.

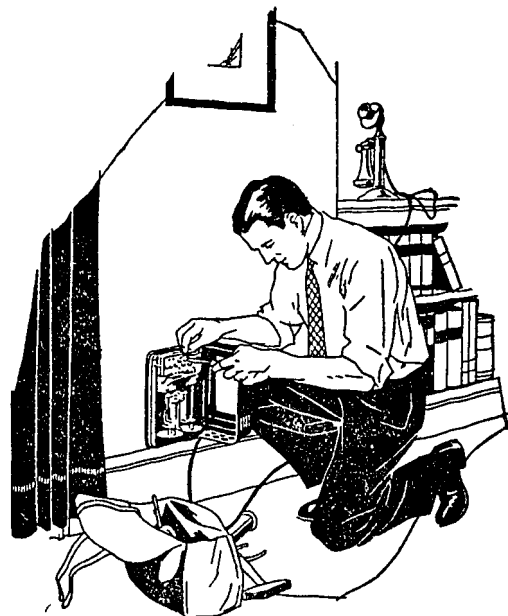

No two users have exactly the same needs.

When you order a telephone installed or moved, we want to see it through in such a way that your personal requirements are exactly met.

When you ask for information about a contract or a bill, or report trouble with the instrument, or make even the most casual telephone call, we want to give each matter the sort of attention that spells personal service, not just average service.

Maybe this is a big order. Our everyday job involves an almost infinite number of contacts, usually at a distance over a telephone wire, on an infinite variety of matters.

But it's what we are aiming at.
